## ATLANTIC CITY SPECIAL CONFERENCE

The second special conference of the A. L. A., for which the preliminary call has already gone forth, will be held at Atlantic City, N. J., April 29, 30, and May 1. This meeting will be held in conjunction with the annual spring Atlantic City meetings of the New Jersey Library Association and Pennsylvania Library Club.

Headquarters will be at the Hotel Chelsea. The formal official call of the president of the Association, including a statement of the business to be transacted, will be printed in the March *Bulletin* and the other library periodicals. One subject will quite certainly be further consideration of the proposed changes in the constitution.

## COLORADO SPRINGS CONFERENCE

The Forty-second Annual Conference of the American Library Association will be held at Colorado Springs, Colorado, Monday, May 31, to Saturday, June 5, both days inclusive. The last week in June would, without doubt, be more convenient to the majority of members, but because of crowded hotel conditions later in the month, that date was quite impossible. The first of June will be more convenient to many than the middle of the month would be; for college and university librarians will have time to attend the conference and get back to commencement.

Headquarters will be at the Hotel Antlers. This and other hotels in the vicinity will provide ample and comfortable accommodations for all who attend, and it is hoped there will be a large number. Lo-

cal librarians and library trustees are already planning for our comfort and entertainment, and they will be assisted, so far as they need assistance, by Mr. Hadley and members of his Denver staff. This will certainly be a charming place in which to meet, with the Garden of the Gods and Pike's Peak "just out in the front yard."

The Travel Committee will have something to say as to rates, routes, schedules, etc., in the March *Bulletin* and the other library periodicals. They are already "getting busy" on plans for a post-conference trip, probably to Rocky Mountain National Park (Estes Park region), and as we have not had a real, full-fledged "post-conference" for five years, a large number will doubtless sign up.

Set your plans for Colorado Springs!
